## Part B. Internship Position Information

*(Please complete one section per internship position.*

*If offering multiple positions, please duplicate this section as needed.)*

### 1. Internship Title & Vacancies

- **Official Internship Title:** Business Development Internship for Product Utilization & Market Expansion
- **Number of Openings:** Vacancies 1

### 2. Internship Details

- **Duration (Start Date – End Date):** 2026/06/22-2026/09/18
- **Working Hours per Week:** 40 hours
- **Type of Internship:**  Project-based  Rotational  Research  Administrative  Other: \_\_\_\_\_

### 3. Key Responsibilities

- Work with the team to explore new use cases and business possibilities for a specific product
- Research markets, customers, and potential applications from a fresh, external perspective
- Contribute ideas for new business models and market expansion
- Participate in discussions related to sales, partnerships, and business development
- Support the creation of proposals, sales materials, and strategic documents
- Share insights and ideas through presentations and discussions with the project team
- Participants will be invited to bring their own perspectives and challenge existing assumptions.

### 4. Learning Objectives & Expected Outcomes

#### Learning Objectives

- Experience how fresh perspectives can influence business decisions.
- Learn how products evolve through market feedback and exploration.
- Understand the connection between product ideas, sales, and business growth.
- Gain insights into Japanese manufacturing, craftsmanship, and business practices through real projects.

#### Expected Outcomes

- Confidence in contributing ideas to real business discussions.

- Insights that may inform future product or market strategies.
- A tangible output that reflects the participant's perspective and thinking.
- An appreciation of how Japanese culture and industry influence product development and business decisions.

## 5. Supervisor/Mentor Information

- **Name / Title:** Fukushima Saki

## 6. Qualifications & Requirements

- **Preferred Intern Education Level:**
  - i. Applicants must be enrolled in an accredited academic institution at the time of application.
  - ii. No specific academic background is required; an interest in art (in the sense of artistic expression) and new business development is expected.
- **Required Skills / Languages**  
Daily work communication will be conducted primarily in Japanese; therefore, Japanese proficiency equivalent to JLPT N2 level is required.
- **Preferred Skills / Experience:**
  - i. Interest in our business and products
  - ii. Interest in art, design, or creative expression (from an artistic perspective)
  - iii. Interest in new business development and business creation
  - iv. Willingness to share ideas and perspectives openly

## 7. Compensation & Benefits

- **Salary / Allowance:** 1,060 JPY per hour.

## 8. Additional Information

- **Working Hours:** Standard hours are 8:30 – 17:30. While we may occasionally request overtime, it is entirely optional, and there is no problem if you choose to decline.
- **Dress Code:** Casual attire is welcome. We do not have a formal uniform; wearing T-shirts or other comfortable casual wear is perfectly fine.
- **Department Roles & Expectations:** You will join a dynamic team that handles everything from new business development to online sales. While this role involves various fields such as marketing, design, and production management, you are not expected to be an expert in all of them from the

start. We value a willing attitude to learn and contribute across different area.
